The Hastings Police and Fire Departments, in conjunction with the Barry County Central Dispatch 911 Center, are constantly updating our Emergency Business Contact List so we may better serve the businesses within our community, both in emergency and non-emergency situations.

Business contact information is vital in the event the police or fire departments must respond to an emergency at your business outside of business hours.

Please take a few moments to complete this form and return it to the Hastings Police Department at the address or fax number listed above.
