

City of Hastings

Position Available: Community Development Director

The Community Development Director oversees a broad range of economic and community development services for the City of Hastings, including community promotion, planning, and business attraction and retention. The position is active in obtaining and administering grants from Federal, State, and local sources. The position also provides staff assistance to the DDA, LDFA, and BRA.

A bachelor's degree in a relevant field and at least four years experience are required. Additional education and experience are preferred. Excellent computer skills, the ability to communicate verbally and in writing, and commitment to a team approach are required.

Complete job description available on request from the City of Hastings, 201 E. State St., Hastings, Michigan 49058, 269.945.2468.

To apply submit letter of interest and resume. Resumes will be accepted until the position is filled; candidate review will begin July 10, 2015.
