City of Hastings
201 East State Street,
Hastings, MI 49058

Hastings Highlights

School will be in session September 6th. Please remember the safety of students walking to and from school, adult crossing guards and student safety patrols. Students should be using the sidewalks wherever they are present; however, there are times when sidewalks are not present. Students walking in the street should be near the curb, but as unpredictable as children can be, always be prepared for the unexpected action.

Adult crossing guards have the authority to stop traffic and control students at approved crossing areas. Disregarding an adult crossing guard is not only very unsafe, but will result in a very expensive ticket-generally followed by a stiff fine, points on your drivers license, and possibly much higher insurance costs-not to mention that children may be injured.

Student Safety Patrols are designed to assist students in crossing the street. They always wear a brightly colored, approved safety belt. Student Safety Patrols are not designated, nor are they trained, to stop traffic. When you see a Student Safety Patrol, other children are generally in the immediate area. PLEASE DRIVE CAUTIOUSLY!
