Department of Public Services

Fall Leaf Pickup

The City of Hastings Department of Public Services will again be providing the citizens of Hastings with a fall leaf pickup which is **scheduled to begin the week of November 21, 2016.** Residents should place the leaves to be picked up either very near the curb if a parking lane is present, or immediately behind the curb on the curb lawn. We ask that residents not place leaves in any traveled lane or adjacent to intersections where it might present a vision obstruction. We ask that residents have their leaves raked out prior to the start of the leaf pickup to allow us to complete the project in an efficient and timely manner. There will be an announcement on WBCH radio each week-day morning informing citizens of the location of the City work crews, including a tentative area that will be covered that day and where the work crews will be headed the next day.

Hastings Farmer's Market

Saturdays 9AM - 1PM

Through the month of October on the Courthouse lawn.

Department of Public Services

Hastings DPS will begin putting up Christmas decorations the week of November 7, 2016 in anticipation of the Christmas holiday season. Please be aware of their work to maintain the safety of yourself and the crews. Weather permitting, the crews will finish by Thanksgiving weekend.
