City Council Workshop Minutes
March 11, 2019

A. Comprehensive Utility Capital Improvement Plan and utility rate workshop meeting called to order at 6:00 PM in Council Chambers at City Hall.

B. Present at roll call were Council members: Bowers, Cary, Jarvis, Maupin-Moore, McNabb-Stange, Redman, Resseguie, Smith and Tossava.

Absent: Maupin-Moore.

Motion by Bowers, with support by McNabb-Stange, to excuse Council Member Maupin-Moore.

City Staff and Appointees Present: Mansfield, Czarnecki, Pratt, Caris, Saurman, King and Hemerling. Representatives from Baker Tilley in attendance.

C. Presentation and Discussion.

Discussion centered around W & S Capital fund. Thirty-year projections were presented and discussed; timelines for major projects were highlighted. Baker Tilley reviewed W & S rate study and fielded questions from Council. Asset Management Plan is sound, and rate increases are reasonable and necessary.

D. Questions by Council.

How will we find the lead lines in order to replace; code allows entry to dwellings for inspection.

Council commented on rate increases and average utility bill comparisons.

E. Adjourn workshop.

Motion by Redman, with support by Resseguie, to adjourn workshop.

All ayes.

Motion Carried.
