Yard Sale, Garage Sale, Real Estate and other signs

Please remember that all signs, including those advertising yard sales, garage sales and similar events must be placed outside of the public street right-of-way to avoid vision obstructions or distractions for passing motorists. The public right-of-way is typically 33 feet from the centerline of the street, although it may be farther back (up to 50 feet from the centerline) along State Highways or other major streets. Your cooperation in placing all signs outside of the public right-of-way will greatly enhance public safety, and help to eliminate any personal or public liability.

Y MENTORS PROGRAM: Start of the 2019-2020 School Year

The program is design to give youth, the Mentee, a positive role model by matching them with an older person, the Mentor. Y Mentors is a school-based mentoring program serving youth grades K-12, with caring volunteers. Each Mentor volunteer is matched with one youth, based on similar interests. To enhance the mentoring experience, Y Mentors provides on-going support, YMCA sponsored events, YMCA resources, and community opportunities to foster long-term quality relationships. Our mentors offer their friendship and guidance to build a healthy mind, body and spirit in their Mentee. Find out if one is waiting for you!
