

Permission to Broadcast

The undersigned grants permission to the Hastings Cable Access Channel (HCAC) to broadcast interviews, information and videos about an individual or individuals or the organization with whom he/she/they work.

I understand that any broadcast containing the above material is intended as education and entertainment for viewers of the HCAC.

I am aware of the material accumulated and have identified any content I do not wish to be broadcast. The undersigned representative of the HCAC agrees not to broadcast any material so identified.

This authorization is for a single program _____

This authorization is for a series of similar programs _____

Signature of the authorized representative of the organization seeking broadcast permission _____

Date _____

Signature of a HCAC representative _____

Date _____

The representative of the organization seeking broadcast approval must return this form, signed, to a HCAC representative

If the program to be broadcast is requested by a member of the cable committee, verbal approval from the other party is all that is required. It shall be assumed the committee member is aware of and approves of the program content.
