

Stay safe, stay healthy and avoid the lines

With the passing of Proposition 18-3, registered voters no longer need a reason to vote absentee in elections. Sign up to automatically receive absentee ballot applications for the upcoming elections and future elections, if you wish, by getting on our permanent absent voter list. City of Hastings residents please call 269-945-2468 or email lparmenter@hastingsmi.org with questions or to be added to the list.
