### IMPORTANT NOTICE

Effective January 1, 2022, most parking fines will change to \$15 when paid within the first 10 days of the violation. If the ticket is paid more than 10 but less than 29 days after the violation, the fine increases to \$20. Parking tickets paid more than 29 days after the violation are \$25. Fines for parking in an area designated for handicapped parking start at \$75. We would like to remind everyone that parking is not allowed on city streets between 2:00 AM and 6:00 AM during the winter months. Please contact the Hastings Police Department with any questions about parking regulations or fines.

Thank You

### Winter Reminders

No on-street parking is allowed between the hours of 2:00 AM to 6:00AM. This is strictly enforced in the winter months to allow us to keep our streets cleared of snow.

Please remember that sidewalks should be kept clear of snow. Doing so allows pedestrians, including children walking to school, to use the sidewalk as opposed to walking in the street. The use of sidewalks by pedestrians makes it safer for everyone.

**Reminder that 'tis the season and snow removal will be ongoing. Please be courteous and remind your private snow removal professionals to not push snow across City streets.**

Private plow operators should take extra care to keep snow piles low enough so as not to block vision of the driving public. Business owners should monitor the plowing of their respective parking areas to ensure compliance and reduce traffic accidents.

It is not lawful and may increase individual liability to plow snow high enough in areas near intersections that blocks or interferes with the visibility of motorists.

**Please take time to shovel around fire hydrants. This allows quick access if there is a fire.**
