Did You Know.....

You can access the Consumers Energy website and report your streetlight outages as well as check the status of an outage that has already been reported right on the City of Hastings website at hastingsmi.org or on your own electronic device at: www.consumersenergy.com/outages/street-light

You can reserve one of our beautiful parks for your special event. We are in the process of reserving the pavilions at **Fish Hatchery Park, Tyden Park and Bob King Park**, for baby and wedding showers, graduations, family reunions and birthday parties. Contact us at 269-945-2468, Option 0, to secure your date for your special event.

Compost Site and Spring Clean Up

The City Compost Site will open on **Mondays beginning April 18, 2022 from 3:00 PM to 6:00 PM** and on **Saturdays beginning April 23, 2022 from 9:00 AM to 2:00 PM.**

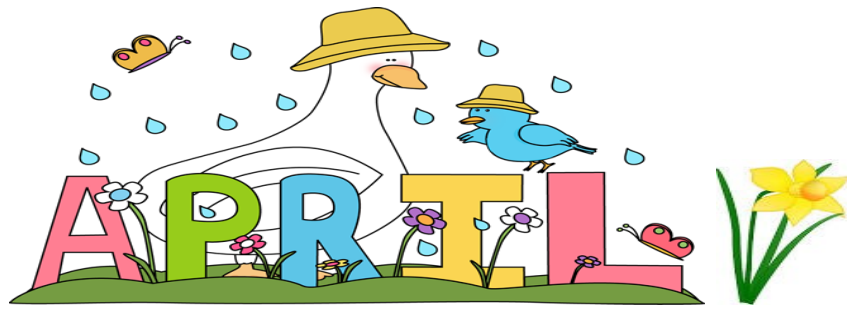

There will be a Department of Public Services staff member located at the Compost Site to sign in residents and check their loads.

Spring clean up will begin on **Monday, April 11, 2022 weather permitting.** Residents will be asked to put yard waste out to the curb (not in the street) and separate twigs and branches from leaves and grass clippings.

If you have questions regarding either the Compost Site or Spring Cleanup, please call the Department of Public Services at 269-945-2468.

Residents are encouraged to leave dead plant material in their gardens until temperatures have been consistently above 50 degrees F. Pollinators such as bees and butterflies overwinter in this plant material and may be destroyed by removing the material too soon. Leaving the plant material in place until consistently warmer weather arrives helps to protect the garden ecosystem and better ensures the health of pollinators.
