## The City of Hastings

### Winter Reminders

**No on-street parking is allowed between the hours of 2:00 AM to 6:00 AM.** This is strictly enforced in the winter months to allow us to keep our streets cleared of snow.

Please remember that **sidewalks should also be kept clear of snow.** Doing so allows pedestrians, including children walking to school, to use the sidewalk as opposed to walking in the street. The use of sidewalks by pedestrians makes it safer for everyone.

Private plow operators should take extra care to **keep snow piles low** enough so as not to block vision of the driving public. Business owners should instruct snow plowers not to plow snow on sidewalks and across streets. It is not lawful, and it also may increase individual liability to plow snow high enough in areas near intersections that blocks or interferes with the visibility of motorists.

Please take time to **shovel around fire hydrants.** This allows quick access if there is a fire.

**Thank You**
